I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Homeland Security Appropriations bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

A handwritten signature in black ink, appearing to be 'John Fetterman', written over a horizontal line.

John Fetterman
United States Senator

Congressionally Directed Spending Requests**

| Recipient Name | Project Purpose | Project Location | Amount Requested (\$000) |
|---|--|-------------------------|---------------------------------|
| Allegheny County Department of Public Works | This project will help reduce flood risk for communities along Turtle Creek, Thompson Run, and Brush Creek by removing debris from failed private walls, stabilizing hillside, relocating sediment, and making improvements at the Ardmore Debris Basin. | Allegheny County PA | \$1,471 |
| City of Erie | Funding to support the City of Erie relocating their Emergency Operations Center (EOC) to a larger, structurally sound space to function as the central command and support center for local, state, and federal entities to respond quickly to natural disasters. | Erie PA | \$3,000 |
| Greater Johnstown Water Authority | The project will make improvements to the existing spillway at North Fork Dam and construct a new auxiliary RCP spillway to ensure an adequate potable water supply for the Authority to provide to their 21,500 customers. | Johnstown PA | \$2,000 |
| City of Philadelphia Office of Emergency Management | Funding will support expansion of the main EOC area which the City of Philadelphia uses to coordinate joint disaster response and management for special events to increase the City's capacity to serve residents quickly in times of need. | Philadelphia PA | \$750 |
| The Municipal Authority of the City of Sunbury | This project will allow for the replacement of a critical pipe system that protects the City of Sunbury from catastrophic flooding during times of heavy rainfall. | Sunbury PA | \$748 |
| Tioga County | Tioga County will replace the existing, 50-year-old arch pipe, preventing future flooding in southern Mansfield and remedying current encroachments into residents' properties. | Wellsboro PA | \$1,000 |
