May 23, 2024

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Interior, Environment, and Related Agencies Appropriations bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

John Fetterman
United States Senator

**Fetterman, John(D-PA) Interior and Environment
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Rivers of Steel Heritage Corporation	To improve the structural integrity and general condition of the National Historic Landmark Carrie Furnaces AC Power House in order to preserve this National Historic Landmark.	Allegheny County PA	\$500
Bradford City Water Authority	Improve drinking water quality by renovating the eight water treatment tanks located within the water treatment plant building, repairing and replacing filter components, and installing a new UV disinfection system.	Bradford PA	\$1,200
Bear Creek Watershed Authority	Install emergency generators at the sewage treatment plants to prevent or minimize bypassing of raw wastewater.	Butler County PA	\$229
Summit Authority	Construct a new public sewer system and related infrastructure in Summit Township, PA.	Butler County PA	\$2,000
Borough of Carlisle	This project will support pre-construction and early-stage construction work on the addition of PFAS removal infrastructure at its water treatment plant.	Carlisle PA	\$2,000
Catasauqua Borough	The purpose of this project is to improve surface quality by constructing a new influent pipe to the Catasauqua wastewater treatment plant.	Catasauqua PA	\$1,299
