

119TH CONGRESS
1ST SESSION

S. RES. _____

Supporting the designation of May 4 through May 10, 2025, as “Children’s
Mental Health Awareness Week”.

IN THE SENATE OF THE UNITED STATES

Mr. HUSTED submitted the following resolution; which was referred to the
Committee on _____

RESOLUTION

Supporting the designation of May 4 through May 10, 2025,
as “Children’s Mental Health Awareness Week”.

Whereas millions of youth in the United States struggle with
mental health challenges, many of which suffer
undiagnosed and untreated;

Whereas adults who struggle with mental health often show
symptoms in their youth that go unaddressed and esca-
late later in life;

Whereas childhood and adolescence can be challenging times
in life, leaving our youth especially vulnerable to anxiety,
depression, bullying, and self-harm;

Whereas stigma surrounding mental health often prevents
youth from seeking the help and support they need, exac-
erbating the effects of mental health struggles;

Whereas, according to the Centers for Disease Control and Prevention, mental health disorders are chronic conditions, and untreated mental health challenges can harm the development and well-being of children, impacting their academic, social, and home environments;

Whereas youth suicide continues to be a significant public health crisis, affecting families, individuals, and communities, and there is a need for extensive suicide awareness and prevention programs; and

Whereas May 4 through May 10, 2025, is an opportunity to strengthen public awareness of youth mental health challenges and advocate for meaningful action to improve mental health care for children in the United States: Now, therefore, be it

1 *Resolved*, That the Senate—

2 (1) supports the designation of May 4 through
3 May 10, 2025, as “Children’s Mental Health Aware-
4 ness Week” to raise awareness of mental health
5 challenges facing our children and the importance of
6 early detection, treatment, intervention, and preven-
7 tion strategies;

8 (2) recognizes the relationship between chil-
9 dren’s mental health and plenty of outdoor recre-
10 ation, a healthy diet, regular socialization with peers,
11 and adequate sleep;

12 (3) urges youth mental health be categorized as
13 a national priority and calls for the continued pro-
14 motion of mental health in schools and communities;

1 (4) applauds the collaboration of local, State,
2 and Federal organizations in promoting awareness
3 of youth mental health and providing support for
4 those in need;

5 (5) advocates for individuals, families, and com-
6 munities to participate in activities during “Chil-
7 dren’s Mental Health Awareness Week” to promote
8 mental well-being initiatives, reduce stigma, and fa-
9 cilitate access to essential services and resources;
10 and

11 (6) reaffirms the importance of mental health
12 as a necessary aspect of overall well-being and urges
13 continued efforts to facilitate access to mental health
14 care for the children of the United States.
