The Honorable Jerry Moran
Chair
Subcommittee on Commerce, Justice,
Science, and Related Agencies
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, DC 20510

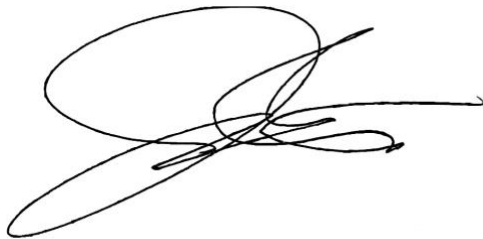

The Honorable Chris Van Hollen
Ranking Member
Subcommittee on Commerce, Justice,
Science, and Related Agencies
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, DC 20510

Dear Chair Moran and Ranking Member Van Hollen:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 (FY26) Commerce, Justice, Science, and Related Agencies Subcommittee Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Thank you for your consideration for these requests. Should you have any questions, please contact Curtis Newman at (202) 224-4254.

Sincerely,

A handwritten signature in black ink, appearing to be 'J. Fetterman', with a large, loopy initial 'J' and a long horizontal stroke extending to the right.

John Fetterman
United States Senator

**Fetterman, John(D-PA) Commerce, Justice and Science
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
University of Pittsburgh	Funding would support the Western PA Shared Quantum Information Core in enhancing collaboration between researchers at Western Pennsylvania research institutions via shared quantum computing equipment and infrastructure.	Allegheny County PA	\$1,000
Big Brothers Big Sisters of Greater Pittsburgh, Inc.	Funding would expand Big Brothers Big Sisters of Greater Pittsburgh's youth mentoring program to more schools across Allegheny County and Western Pennsylvania.	Allegheny County PA	\$569
University of Pittsburgh	This project will allow the University of Pittsburgh Police Department to update their aging radio system to ensure interoperability with outside police, fire, and EMS agencies.	Allegheny County PA	\$417
Allegheny Township	This request would allow the Allegheny Township Police Department to replace police vehicles, along with necessary upfitting.	Blair County PA	\$60
Warminster Township Police Department	This request would fund critical technology needs for the Warminster Township Police Department's vehicles and officers.	Bucks County PA	\$735
Centre County Government	This project would allow Centre County to upgrade its emergency radio equipment.	Centre County PA	\$2,250
County of Chester	This funding would fund the replacement of radios and other equipment for Chester County police officers.	Chester County PA	\$750
County of Clinton	Clinton County is replacing an outdated analog public safety communications system with a digital, P25-compatible system. This project would allow the county to purchase digital radios to ensure coordination between emergency responders and law enforcement.	Clinton County PA	\$587
Bloomsburg Children's Museum	Funding to establish a Challenger Center in Bloomsburg promises transformative educational advancements by offering STEM programs and workforce development opportunities in a region with historically lacking resources. This initiative addresses the educational deficit in rural Appalachia.	Columbia County PA	\$2,650
Borough of Shippensburg	This project would allow the Shippensburg Police Department to acquire a new police cruiser, body-worn cameras, vehicle cameras, and a new camera system for the department's interview room.	Cumberland County PA	\$298
Juniata College	Juniata College seeks to purchase state-of-the-art chemistry laboratory equipment to support and expand undergraduate research opportunities in and around Huntingdon County, PA.	Huntingdon County PA	\$555
Jefferson County	Funding for this project will support engineering and design costs associated with Jefferson County's new 911 Center.	Jefferson County PA	\$462
Borough of Dunmore	Dunmore Borough seeks funding to purchase new police cruisers.	Lackawanna County PA	\$288
City of Scranton	The funding would be used for upgrading equipment and modernizing technology to increase officer safety and the effectiveness of law enforcement operations in the City of Scranton.	Lackawanna County PA	\$1,000
Lehigh County	This funding would allow Lehigh County to purchase mobile, portable, and interoperable communications equipment for the county's law enforcement and criminal justice agencies.	Lehigh County PA	\$2,000
City of Nanticoke	This request would fund upgrades to the Nanticoke Police Department including new vehicles, car cameras, and body cameras for officers, to increase the safety of officers and the public and to enhance accountability.	Luzerne County PA	\$298

Monroe County	This project would enable expanded programming in Monroe, Carbon, and Pike Counties aimed at reducing drug use, drug-related crime, and drug-related deaths.	Monroe County PA	\$2,040
Montgomery County Community College	Support for the operation and expansion of programming at the Challenger Learning Center at Montgomery County Community College's (MCCC) campus in Pottstown, PA.	Montgomery County PA	\$500
The Exodus Road	This project will provide digital safety education to youth, parents, and law enforcement to combat online exploitation throughout Philadelphia County.	Philadelphia County PA	\$750
Villanova University	Requested funding would support additional services for both the Civil Justice Clinic (CJC) and the Caritas Clemency Clinic (CCC), thereby assisting domestic violence survivors who are crime victims and reducing recidivism by funding additional services to individuals leaving federal custody.	Philadelphia County PA	\$850
Middleburg Borough Police Department	Middleburg Borough Police Department seeks funding to assist in the implementation of a Body-Worn Camera and Vehicle-Mounted Dash-Cam project.	Snyder County PA	\$120
King's College	Funding would support implementation of King's College's new Cybersecurity Minor for the Fall 2026 undergraduate semester to provide students with skills necessary to succeed in an increasingly in-demand profession.	Wilkes-Barre PA	\$895
