The Honorable Lisa Murkowski
Chair
Subcommittee on Interior, Environment, and
Related Agencies
U.S. Senate Committee on Appropriations
Washington D.C. 20510

The Honorable Jeff Merkley
Ranking Member
Subcommittee on Interior, Environment,
Related Agencies
U.S. Senate Committee on Appropriations
Washington D.C. 20510

Dear Chair Murkowski and Ranking Member Merkley:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 (FY26) Interior, Environment, and Related Agencies Subcommittee Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Thank you for your consideration for these requests. Should you have any questions, please contact Kurtis Miller at (202) 224-4254.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Fetterman', with a large, stylized loop at the beginning and a long, sweeping underline.

John Fetterman
United States Senator

**Fetterman, John(D-PA) Interior and Environment
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Rivers of Steel Heritage Corporation	To improve the structural integrity and general condition of the National Historic Landmark Carrie Furnaces AC Power House in order to preserve this National Historic Landmark.	Allegheny County PA	\$500
Bradford City Water Authority	Improve drinking water quality by renovating the eight water treatment tanks located within the water treatment plant building, repairing and replacing filter components, and installing a new UV disinfection system.	Bradford PA	\$1,600
Borough of Carlisle	This project will support pre-construction and early-stage construction work on the addition of PFAS removal infrastructure at its water treatment plant.	Carlisle PA	\$2,000
Mt Zion Historical, Cultural and Educational Community Center and Sepulcher	To restore and preserve the "Old Mt. Zion" historical church and war cemetery.	Chester County PA	\$500
Chesapeake Conservancy Inc.	The purpose of this project is to improve water quality by reducing sediment and nutrient (nitrogen and phosphorus) pollution from agricultural sources via the implementation of best practices.	Clinton PA	\$400
Cranberry Township	Improve drinking water quality by replacing waterline along Route 19 in Cranberry Township.	Cranberry Township PA	\$1,663
The Borough of Forest Hills	Improve surface and groundwater quality through construction of a replacement storm sewer system and improvements to sanitary sewer access.	Forest Hills PA	\$500
Dry Tavern Sewer Authority	To provide public sanitary sewerage service to Pennsylvanians in Southwestern Pennsylvania.	Greene County PA	\$591
Hermitage Municipal Authority	Improve the efficiency and reliability of the wastewater collection system by eliminating an aging pump station and directing sewer flow to existing stations.	Hermitage PA	\$914
City of Lock Haven	Improve the quality of drinking water for residents served by a water line that regularly breaks by repairing the lines.	Lock Haven PA	\$825
Meadville Area Sewer Authority	Protect surface/groundwater quality by replacing an outdated and deteriorating sewage force main that travels under French Creek.	Meadville PA	\$1,440
County of Monroe	To rehabilitate the Monroe County Goose Pond Dam.	Monroe County PA	\$2,800
Monroeville Municipal Authority	Improve drinking water quality by replacing several portions of the water distribution system that are constructed of asbestos-cement (transite) pipe.	Monroeville PA	\$500
Hatfield Township Municipal Authority	This request would fund construction of a stormwater pumping station to divert stormwater away from a wastewater treatment plant in Hatfield Township.	Montgomery County PA	\$241
Freeburg Borough	To rehabilitate the entire sanitary sewer system for the Freeburg Borough that was constructed in the early 1900s and is in need of major repairs.	Snyder County PA	\$1,200
Williamsport Municipal Water Authority	Replace critical components of the water distribution system, including the Summer Street Susquehanna River Crossing and Waterdale Road Transmission Water Main.	Williamsport PA	\$1,453
