The Honorable John Kennedy
Chair
Subcommittee, Energy and Water
Development
U.S. Senate Committee on Appropriations
Washington D.C. 20510

The Honorable Patty Murray
Ranking Member
Subcommittee, Energy and Water
Development
U.S. Senate Committee on Appropriations
Washington, DC 20510

Dear Chair Kennedy and Ranking Member Murray:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Energy and Water Development Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

A handwritten signature in black ink, appearing to be "John Fetterman", written over a thick horizontal black line.

John Fetterman
United States Senator

**Fetterman, John(D-PA) Energy and Water Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Army Corps of Engineers (Civil)	This funding would support the replacement of drinking water infrastructure in Allegheny County, PA.	Allegheny County PA	\$850
Army Corps of Engineers (Civil)	This funding would support the Army Corps' work at Montgomery Locks and Dam, a critical piece of the inland waterways system that facilitates the movement of commodities along the Ohio River.	Beaver County PA	\$167,000
Army Corps of Engineers (Civil)	This funding would support the remediation of Acid Mine Drainage (AMD), improving water quality and aquatic ecosystems in the Morgan Run, Clearfield Creek, and West Branch Susquehanna River watersheds in Clearfield County, PA.	Clearfield County PA	\$1,281
Army Corps of Engineers (Civil)	This funding would support the deployment of advanced, solar powered monitoring systems for flooding across Pennsylvania's Susquehanna River Basin.	Dauphin County PA	\$625
Army Corps of Engineers (Civil)	To fulfill the federal signatory funding share of the Delaware River Basin's (DRBC) budget in order to further advance DRBC's scientific mission, and maintain the high-quality regulation of the Delaware River and its Basin.	Delaware River Basin Commission PA	\$715
Army Corps of Engineers (Civil)	This funding would support the construction of essential public infrastructure required to support a new residential community, such as water lines, sanitary sewer systems, stormwater management, and a sanitary sewer pump station, in Menallen Township in Fayette County, PA.	Fayette County PA	\$2,000
Army Corps of Engineers (Civil)	This funding would support the replacement of severely deteriorated water and sewer lines in Mercersburg Borough in Franklin County, PA.	Franklin County PA	\$3,381
Army Corps of Engineers (Civil)	This funding would support the modernization of Chambersburg's aging wastewater infrastructure in Franklin County, PA.	Franklin County PA	\$1,305
Army Corps of Engineers (Civil)	This funding would support the restoration of the Shamokin Creek, that has long been impacted by Acid Mine Drainage (AMD), in Northumberland County, PA.	Northumberland County PA	\$1,000
Army Corps of Engineers (Civil)	This project would improve wastewater infrastructure in Allegheny County, PA.	Pittsburgh PA	\$7,125
